ABOUT

#LIVEBEYOND

LiveBeyond is a faith-based, humanitarian organization improving lives of the poor in Thomazeau, Haiti, with sustainable solutions in medical and maternal health care, clean water, education, agriculture and economic development.

A photograph of an elderly man with a joyful expression, wearing a wide-brimmed hat and a colorful floral shirt. He is standing in front of a rustic structure made of woven reeds and wooden poles, with a corrugated metal roof. The background is slightly blurred, showing more of the structure and some greenery.

We choose to
live beyond
ourselves, culture,
borders and this life,
so that others can
live beyond
disease, hunger,
poverty and despair
to transform
Thomazeau
for the Kingdom
of God.
