

How to support Kulshan Chorus using smile.amazon.com

Navigate to Smile.Amazon.com. If you haven't used this before, you will see a screen like:

Enter "Kulshan Chorus" in the box, and press search. You will see another screen where you can select Kulshan Chorus.

Once this is set up, half a percent of everything you spend using the url "smile.amazon.com" will be donated to the Kulshan Chorus.

If you are already using smile.amazon.com, you can change to support Kulshan Chorus by navigating to "Your Account", then choosing "Change Your Charity" under "Account Settings". You'll have a similar screen that you can use to change your charity to the Kulshan Chorus.

You MUST use the url "smile.amazon.com" for money to be donated. If you use the regular "amazon.com" no donation will be made.
