

Picture Day • Saturday, March 18

Picture day is scheduled for Saturday, March 18. This year we are excited to work with Photography by Kathy. Kathy has had extensive experience with photographing dancers and is looking forward to working with us.

Time of Arrival

Arrive at the studio, ready to be photographed 15 minutes prior to scheduled time. If your dancer is getting ready at the studio, make sure she/he arrives in plenty of time to do so.

Individual and Group Photos

Both individual and group photos will be taken during your dancer's scheduled time. If additional photos are desired, e.g. siblings/friends, they may be taken anytime during the day.

Photo Order Form

A Photo Order Form needs to be completed, including name, phone number and name of dance, using one column for each dance outfit that you are ordering pictures of. Depending on the number of dances your dancer is performing in you may need several photo order form sheets. This order form will be handed to the photographer during individual pictures. **Even if you are not ordering pictures on Picture Day, you must complete the Photo Order Form(s).** An order form does not need to be completed for the group photo. A Photo Order Form is attached for your convenience or you can pick them up at the studio.

Delivery of Prints

Please make sure to complete the address label in the bottom right corner of the Photo Order Form. Photos will be shipped to your home and this is your shipping label. Although not listed on the order form, there will be an option to purchase a CD and details will be provided on Picture Day.

Viewing Photos Online

Photos will be uploaded to a secure website within a week of Picture Day in case you would like to preview pictures prior to ordering. Details will be provided on Picture Day. Whether you order on Picture Day or after viewing them online, you must complete a Photo Order Form for each dance outfit being photographed.

Payment

Payment for completed order forms is due on picture day. The photographer accepts cash, check and credit card.

Contacting the Photographer

If you have any question for the photographer, Kathy can be contacted at 262-342-0072.

Recital Costumes

Please make sure dancers are dressed in costumes following the directions handed out with costumes. Female dancers need to wear specified tights that were included with your costume with no underwear. If dancers are in more than one number in the Recital they may wear a nude leotard under all costumes. This helps with the ease and comfort in changing. We sell a seamless, very comfortable nude leotard through the studio. Please view a sample in the waiting room. To order, fill out the order form attached to this packet and return with payment to the studio by March 19th.
