Important Information/Requirements Regarding Competition Dance Team

Current Team dancers must enroll in the following classes during the May session:

- Ballet, a minimum of one class per week;
- Technique color in which they were enrolled during the dance season;
- Improv/contemporary color that matches the current ballet and technique colors.

In other words, if Miss Ann took Ballet Silver and Technique Silver during the 2017-2018 season, she must sign up for Technique Silver and Improv/Contemporary Silver classes on Wednesday night for the May session. She may prefer to stay with Ballet Silver, since it is offered on the same night as the other classes. But she may decide to also try Pre Pointe/Pointe on Thursdays. If Miss Ann would like to challenge herself, she may take *additional* technique and improv/contemporary classes of a different color. However, placement in these additional classes is not guaranteed for the upcoming 2018-2019 dance season just because they were taken during May. That decision will be made by the Team Director after tryouts.

If the dancer would like to compete in Lyrical, Tap, or Acro, they must take those classes during the May session (Hip Hop is not offered during the May session, but dancers may still audition for that style during tryouts).

Mandatory meeting scheduled for April 25 at 6 pm at the studio.

Prospective Team dancers must take the following classes during the May session:

- Ballet;
- Technique;
- Improve/contemporary.

You must consult with the Team Director, Miss Andrea (missandreaasd@gmail.com), regarding placement into these classes to ensure the appropriate classes are chosen. This placement typically is based on prior dance experience, skill level and, in some cases, age.

If the dancer would like to compete in Lyrical, Tap, or Acro, they must take those classes during the May session (Hip Hop is not offered during the May session, but dancers may still audition for that style during tryouts).

Mandatory meeting tentatively scheduled for May 24 at 7:45pm at the studio.

Mini Jazz Team Formation dancers, due to age and limited dance experience, will not be held to the same requirements as current and prospective team dancers as stated above. In fact, other than the Jazz class on Wednesdays, there are no additional requirements for them during the May session. During the regular dance season (2018-2019) these dancers will be required to take a 1-hour Mini Jazz/Technique class and a class that includes ballet instruction, i.e. ballet or tap/ballet.

Mandatory meeting tentatively scheduled for May 9 at 4:45pm at the studio.
