Idaho Preferred® is a program of the Idaho State Department of Agriculture dedicated to identifying and promoting Idaho food and agriculture products. Easily locate a diverse range of locally produced goods from Idaho, including fruits, vegetables, meats, wine, beer, spirits, eggs, honey, nursery plants, trees, and more, by using the search feature on the Idaho Preferred® program's Farm + Food Finder website.

Eating fresh, locally grown, raised, and crafted products and buying plants acclimated to Idaho's environment not only assures freshness and quality, but also supports local farmers, ranchers, and communities.

To find local products, look for the blue and gold Idaho Preferred® label at your local farmers market, grocery store, restaurant, and nursery, or find ways to buy direct by visiting idahopreferred.com.
