Our thirtieth year of service has been a year of accomplishment for Front Steps. We continue to impact the Cleveland community through our housing services and counseling programs. Front Steps transforms lives though housing stability while promoting family reunification, financial literacy, education, wellness, and independence. We help reduce reliance on the legal system and emergency rooms, and lengthy hospital stays.

2016 Milestones:
- Delivered more than 28,000 units of service to more than 500 clients (housing and counseling in employment/education, health/wellness, STD/HIV education, art therapy, food pantry, GED, college orientation, mother’s support group)
- Provided 28,000 units of service to more than 400 members of the community
- Were awarded CARF accreditation from the Commission on Accreditation of Rehabilitation Facilities (CARF), demonstrating adherence to internationally recognized standards of excellence.

All of this is a continuation of our mission to: Provide individuals and families who are mentally disabled and/or economically disadvantaged with permanent supportive housing and lifelong solutions to increase self-sufficiency and independence.

We would not be able to provide these services without our loyal supporters and donors, the extraordinary efforts of our Board of Directors, and our dedicated staff.

In gratitude,

David Eddy
President, Board of Directors

Sherri Brandon
Executive Director

What We Do
FRONT STEPS IS dedicated to ending the cycle of homelessness in our community. We provide individuals and families who are mentally disabled and/or economically disadvantaged with permanent supportive housing and lifelong solutions to increase self-sufficiency and independence.

FRONT STEPS SERVES homeless and disabled individuals and families who are struggling with mental illness and/or substance abuse issues. Residents are referred by homeless shelters through the Cuyahoga County Central Intake process.

FRONT STEPS PROVIDES a safe and secure environment consisting of 60 apartments, all located within the facility; personalized case management for all residents; and programs to increase skills, confidence, and independence. Many of the programs are offered to former residents and those in the community, as well as residents.

CORE PROGRAMS:

THE CENTER FOR INDEPENDENT LIVING
These programs teach the necessary skills for independent living, which also instills confidence. Included programs: health and wellness, financial literacy, household management, child rearing, family reunification, social skills, and peer support.

THE BEHAVIORAL HEALTH CENTER
These programs assist with overall mental health and wellness. Included programs: art therapy, substance abuse counseling, case management, and mental health counseling.

THE LEARNING CENTER
These programs provide clients with education and employment opportunities, critical elements for income. Included programs: workforce readiness workshop, on-site job training, GED classes, and further education and certification resources.

Ways to Give
Front Steps would not be able to do what it does without the help of our generous supporters. Please consider giving in one of the following ways:

Donate: Your monetary contribution goes towards the safe environment, programs and services that are offered to residents. All gifts, no matter the size, make a difference and are greatly appreciated. We also have a Monthly Giving Program, where your credit card can be charged a set amount each month, so you can give year-round.

Employment: As clients gain skills and experience at Front Steps, they look for employment in the community. We are always welcoming new relationships with local companies who are willing to give our clients a second chance.

Participation: Get involved by attending any of our events throughout the year. There is something for everyone. To receive information, visit our website, join our email list, like us on Facebook, or follow us on Twitter.

Host a Fundraiser: Hosting a third-party fundraiser is a terrific way to contribute. Not only do we raise much-needed funds, you expose our mission to a broader audience and you can tailor your event to your tastes and friends. You can be as creative as you like with your fundraiser: Front Steps is here to help.

Associates Board: Young professionals looking to get more involved in the community can join our Associates Board. We are always accepting new members and the Associates Board is a great opportunity to participate on volunteerism and fundraising.

Learn More: If you want to give in some way but still have questions, we encourage you to talk to Front Steps staff, take a tour of the facility, or attend an event.

For more information on any of the above, please contact Paul Holland at 216-781-2250 or pholland@frontstepservices.org or visit www.frontstepservices.org.
