

**North Terrace Church of Christ**

**VISION  
20/20**

**Vision 20/20 Initiative**

# Seeing in 20/20 Vision

---

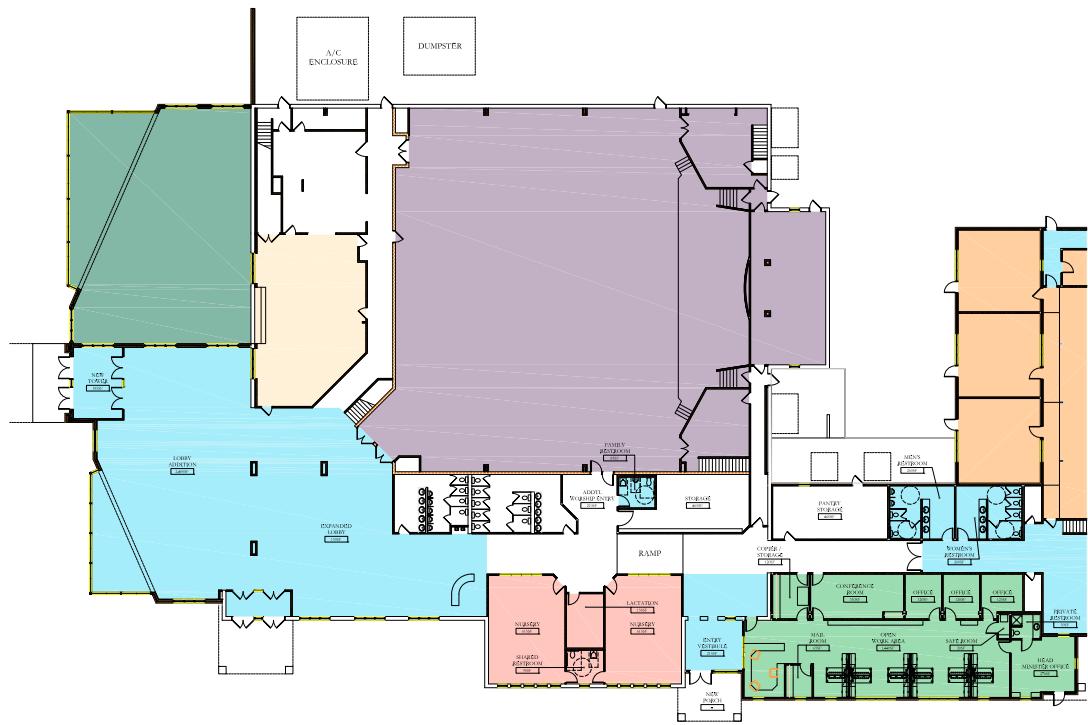

When your vision is clear, there's always more to see. Things once unnoticed and unseen suddenly become evident, and things once unimaginable and unreachable become possible. God has a vision for His Kingdom, and we get to be a part of it. If you want to see more open your eyes and focus. With 20/20 vision, you can see what God has done, what He's doing and what He is revealing for the future.

We believe God is revealing a vision for North Terrace Church of Christ that builds upon a legacy of investing in the next generation to impact our community for Christ. God is already doing great things in the Zanesville community and region. To reach **One More**, we need to expand our building to become a home to a united body of believers and to provide excellent space for our community to gather.

# VISION 20/20

Our goal is to create spaces that can be used by multiple groups of people. Each space is designed to serve multiple purposes and address multiple ministry needs. The exceptions to this are the preschool and nursery spaces, which are designed to meet the unique needs of young children.

Phase One helps us meet the challenges we are experiencing due to recent growth, especially with young families. In Phase One, we increase capacity in three primary spaces: the North Terrace Christian Preschool, Sunday Morning Kids Programming and our Foyer space.

# PHASE ONE

---

The new building space features an updated look for the 21st century and increases natural light through the use of windows.

# NT Kids

---

Parenting takes teamwork, which is why we create programs to strengthen families. As your child grows, we partner with you by providing tools to help raise your children. The Vision 20/20 Initiative achieves this by creating new and fun environments to learn about God.

We love providing excellent programming at North Terrace that kids are excited to be a part of. Our growth in NT Kids participation has been rapid and has become the key reason for expansion. Having room for **One More** child to come to know Jesus today is an investment in the future of our church and the kingdom of God.

To make room for more children in NT Kids, we are adding six new classrooms around the outside of the chapel building for elementary classroom space, as well as enlarging the current preschool rooms to hold more kids. We will also put in new bathrooms and incorporate a new, large group space. The chapel will also receive updates and tech upgrades to add to the worship experience and to create flexible space for multiple groups and events.

# PRESCHOOL

Our goal in the North Terrace Christian Preschool is to provide families with quality, early childhood education, so that our children can excel in all areas of life. We have been consistently striving for this in the Zanesville community since 1994. During recent years, the preschool has grown into all available church classrooms, and in most age groups we are unable to grow further. Our vision of sharing God's love while providing a foundation for a lifetime of learning, we need to expand our current facility.

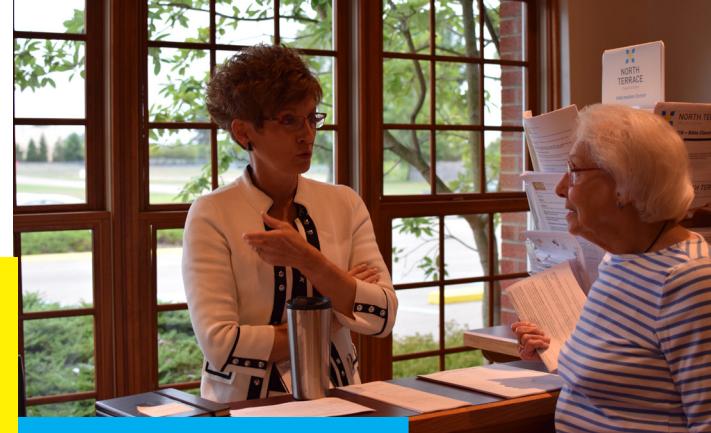

We are excited for the opportunities the expansion will provide to the children of our community. This initiative helps us expand into 10 large classrooms and includes an updated playground, enhanced security, additional large group spaces and new bathrooms.

# FOYER & WORSHIP CENTER

With an increase in space and natural light, our new foyer space will be a warm and welcoming entrance hall for new visitors. This helps to set the mood for their first worship experience at North Terrace. The increase in size makes the new entrance hall a prime spot for gatherings and events, and the new look with lots of windows enhances the beauty of the space. This entrance hall will be large enough to hold many of our community events and weekly programs, including small groups, classes, and programs.

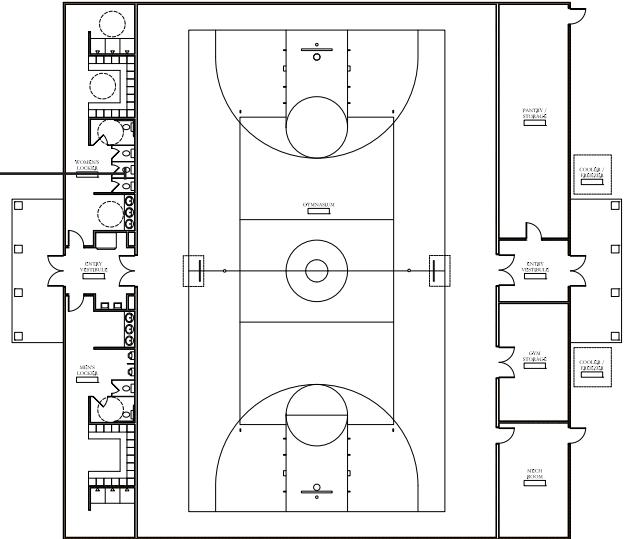

The new entrance will have a drive-under canopy for easy and safe access.

During Phase Two, our worship center receives a significant renovation, as well as a variety of tech upgrades to help us provide the best environment for worship.

# PHASE TWO

If we look a little further,  
there is so much more we can do.

We love this community, and we know it is worth immeasurably more in God's eyes. We want to help the people in our region see what else is possible. Back in 1996, North Terrace built the Family Life Center. Minister Bill Meaige described the reason as, "We'd like to be a center for community involvement." Vision 20/20 imagines new opportunities for community involvement. The three main components of Phase Two are: an Indoor Community Playground, a separate activity center, and added stadium and balcony seating to the Worship Center. Our stretch goal to get us to Phase Two is another \$3 million. With your passion and commitment this vision can be realized.

North Terrace purchased land on Maple Avenue to construct a permanent building.

The church began meeting in a house behind Tee Jays restaurant until the building on Maple was completed.

The church on Bowers Ln expanded to build the Family Life Worship Center off of Brandywine Blvd.

# WHAT WILL IT TAKE?

---

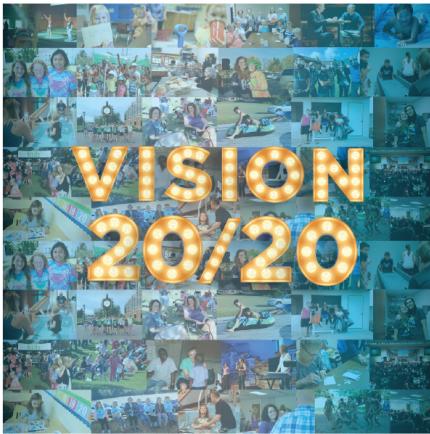

God. All of Us. You.

For the Vision 20/20 Initiative to be successful, God must be with us. As we consider what lies ahead for North Terrace, we remember the foundation of faith and God's providence that brought us to this point. God has consistently been with us, and we look forward to His ongoing partnership in pursuing One More.

For the Vision 20/20 Initiative to be successful we must be unified in heart and commitment. We invite everyone to consider what they can do to partner with God in this next chapter of North Terrace's story. As we serve together, give together, and love together we tell of God's great love for everyone.

For the Vision 20/20 Initiative to be successful we need you. You are a key part of this plan. As you pray and consider what you can give we encourage you to be bold and courageous in your generosity.

God has big dreams for North Terrace, and we are excited to discover what His immeasurably more ofr us will be. Amazing things happen when you join with other followers of Jesus and give sacrificially. Vision 20/20 is not dependent solely on you, but you are essential to God's plans for North Terrace.

Will you join us in pursuing God's immmeasurably more by giving generously to Vision 20/20?
