

» LA VIE EST BELLE IN A BLOOMING PARISIAN CELEBRATION. GLOWING WITH ROSY HUES & SHIMMERING ACCENTS.

ABOVE (CLOCKWISE, FROM LEFT): it's hard to say who's blushing more against this charming backdrop: a demure bride in a dreamy tiered gown, by rebecca schoneveld, or her rosy bouquet of old-fashioned garden roses, contrasted by cool eucalyptus & greens; a custom-beaded headpiece by hushed commotion makes a statement as a wedding ensemble's crowning glory; parisian portraiture is always in vogue & silhouette place cards add a sophisticated parlor-party touch when the time comes for guests to find their seats; let them eat cake: a simply sweet, white fondant cake trimmed with gold gets a chic finish with blooming sugar flowers & blackberries.
