Pre-Class Instructions

PREP WORK BEFORE COMING TO CLASS

Decide the length of the handles you would like. The pattern gives you 2 options. The store sample handles were cut at 32 inches. Prepare the handles according to the directions on Page 3.

Cut all the pieces and label them.

Piece the front and back of the bag according to the directions on page 2 then quilt as desired. It is not necessary to quilt these pieces, only if you want. Then in the same manner piece the outside of the wallet (page 7) and quilt if you want.

Don't forget your lunch, drinks, or snacks you would like.
