Company Overview	<p>Quorum is an online legislative strategy platform that provides legislative professionals in Washington and all 50 states access to the world’s most comprehensive database of legislative information, with quantitative insights and modern project management tools that make it easier to track legislation, build support, and take action.</p>		
Product/Service Description	<p>Quorum is an online legislative strategy platform that provides legislative professionals access to the world’s most comprehensive database of legislative information, unique quantitative insights, and modern project management tools. With Quorum, users can easily search, save, comment on, and receive email alerts for all bills, votes, tweets, press releases, floor statements, caucuses, committees, and staff contact information from the U.S. Congress and all 50 state legislatures.</p> <p>Quorum’s advanced quantitative analytics provide information on each legislator’s top issues, most frequent collaborators, ideology, voting history, and legislative effectiveness. By enabling users to easily log meetings, clearly highlight differences between bills, create legislative spreadsheets, and quickly email multiple legislators and congressional staff, Quorum’s productivity features save users valuable time.</p> <p>Quorum’s comprehensive data, quantitative insights, and 21st-century productivity tools are changing the way people track legislation, build support, and take action.</p>
