

## NEW JERSEY BREWERS ASSOCIATION MEMBERSHIP APPLICATION

The mission for which the New Jersey Brewers Association is formed is to protect, promote, represent and educate its members and customers of the brewing industry and to work for an environment conducive to the healthy economic growth of our industry in the state. By supporting the craft brewing industry, we encourage a unity of purpose and concerted effort to enhance the achievement of our business, civic, political and social goals.

Membership is broken into several classifications. Please check the appropriate box for the membership classification that pertains to your application. More information on the classifications and annual fees can be found on the next page.
