Kieron Gillen, Jamie McKelvie, Matt Wilson

### Summary

After five years, we reach the final volume. We go not gentle into that good night, but go driving a converted tank, covered in glitter and spangles, with a soundsystem audible from Mars blaring nothing but bangers. Gods, pop stars, an ending. We'll miss you.

Kieron Gillen first came to attention in his 2006 collaboration with Jamie McKelvie, *Phonogram*. Jamie and he have yet to escape each other, and have somehow roped the otherwise innocent Matt Wilson into this unfortunate pop-comics Katamari. Their most successful work is their 2014 ongoing series, *The Wicked + The Divine*. Kieron's other books for Image include *Three* and the forthcoming *Die*. His other books include many titles published by Marvel (featuring characters you've probably heard of) and *Avatar* (featuring characters you probably haven't.) He lives in London. He's listening to Sound and Vision. He's stopping writing now.

Jamie McKelvie has worked on a lot of comics with a lot of people. From *Phonogram* with Kieron Gillen, to the *New York Times* bestselling *X-Men: Season One* with Dennis Hopeless, to *Defenders* with Matt Fraction. Sadly, fate saw fit to throw him together with Gillen again for a *Young Avengers* run and the Image ongoing, *The Wicked + The Divine*. He's not sure what he did to deserve this. In what he laughably refers to as his spare time, Jamie has also provided art fo...

## Little Mama

Halim Mahmoudi

### Summary

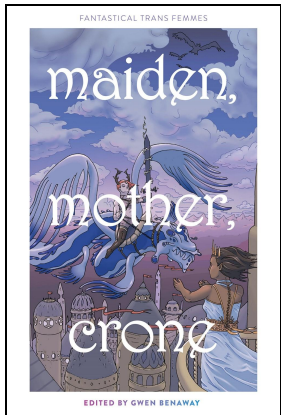

Life isn't easy for little Brenda, whose single teenage mom is immature, selfish, and prone to violent mood swings. Brenda takes care of her as best she can, missing out on many childhood joys to be her mother's Little Mama. Sadly, her already challenging existence gets even worse when her mom's abusive boyfriend moves in. Brenda loves having a new baby brother, but her home life soon turns into pure living hell. Finally, she reaches her breaking point, and must find the courage to save herself and embark on the difficult road towards recovery. A heartbreaking and inspiring tale of abuse and survival.

Hopping forward and backward through time through the framing device of therapy, the story unfolds as young Brenda recounts her tale, visibly maturing as the book (and sessions) continue. At first, we think it might be a child psychology session, but slowly we realize that it is in fact the adult Brenda merely feeling like the child she was at whatever age she is at during her storytelling.

A powerful story about child abuse, spousal abuse, and surviving the trauma toward hopeful blue s...

## Irena Book One Wartime Ghetto

Jean-David Morvan, Séverine Tréfoüël, David Evrard

### Summary

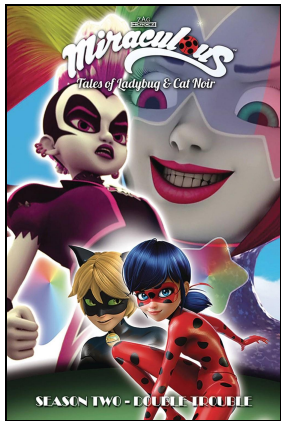

The true tale of Irena Sendlerowa, a social worker in the Warsaw ghetto in the early 1940s, during the early days of German occupation. She is credited for saving the lives of 2500 Jewish children by gradually and quietly smuggling them to safety in small groups. While she is eventually arrested by Gestapo, imprisoned, and tortured for her actions, she refuses to reveal her network and is condemned to death. She is ultimately saved from death by other members of her organization. After the war, she retrieved the names of all children she saved (kept in a glass jar buried under a tree behind her house) and attempted to locate each of their parents for reunion. And while most of the parents had been gassed in the Holocaust, she made it her mission to help those orphans find new homes.

Another true SCHINDLER'S LIST scenario, illustrated for a younger audience, but equally moving for adults.

Jeremy Zag, Thomas Astruc, Fred Lenoir, Mélanie Du...

### Summary

The second season of MIRACULOUS: TALES OF LADYBUG & CAT NOIR is collected here! This TPB features the episodes "Reverser" and "Frozer." In "Reverser," a shy writer feels betrayed by Marinette and Nathaniel, becoming akumatized by Hawk Moth. Now he's able to reverse people's traits, resulting in Ladybug becoming super clumsy and making Cat Noir into a scaredy cat. With their personalities all wonky, will our heroes learn to be heroes once again? In "Frozer," a figure skater is akumatized by Hawk Moth and turns Paris into a frozen wasteland. But while things in Paris are getting chilly, things seem to be heating up between Adrien and... Kagami?! And what about Luka and Marinette? Find out if love blooms in this volume of MIRACULOUS!
