

Grade 2 News

A Terrific Term 2!

Term 2 has flown by! The students have worked extremely hard and we enjoyed sharing all of their successes with you at parent teacher interviews. We hope all families have a restful and safe holiday break ready for another fantastic term.

The students enjoyed learning about sustainability this term and have investigated many ways to reduce their environmental footprint by reducing, reusing and recycling. Our excursion to the Rethink Centre taught us a lot about what happens to our rubbish and recycling.

Places and Spaces

Next term, we are exploring the concept of our local community. We will be investigating the local services in our community and how parts of our community have changed over time.

Play is the Way

This term we have focussed on:

'Have reasons for the things you say and do'

'It takes great strength to be sensible'

Students have been involved in many games and activities which require them to think about their actions and the actions of others.

We have worked on:

- Respecting rules because rules have reasons
- Using our manners
- Thinking before we act
- Resisting the temptation to give up if something is hard

Next term we will be focusing on:

'Be Brave – Participate to Progress'
