

**Gene Egert** and daughter **Ashley** drove their Model As on *Pond Tour in Geneva*. The very beautiful homes were worth seeing.

The *Naperville Memorial Day* parade had more Model As in attendance than were needed.

### **NEW BUSINESS:**

**Downers Grove Cruise Night Model A/T Night** is Friday, June 6 at 5-9pm. We will meet at 5:00 and try to park near each other. We will gather for dinner at **Bally Doyle Pub**.

**Gene** wants to lead a drive to *White Pines* on Sunday, October 19th He recommended a *Rock River* cruise near *Oregon, IL*. The cost is \$30/person. We can decide at a later meeting.

Gene will lead a drive to Starved Rock state Park on August 24<sup>th</sup>. Time and place to meet will be decided over the next two meetings.

### **Tech Sessions**

**Nick** discussed his recent problems with his ignition and battery. The lower distributor plate had shorted to the upper plate while replacing the points. The battery ran down from the short and complicated things. **Lindy Williams** lent Nick a charger and **Mike Bowen** provided ignition parts from his personal supply to get the car running quickly. Once the short was discovered and the points and timing were set correctly, the car ran perfectly.

### **Dealers to Note**

**Mail Truck** in Oak Creek, WI has Model A parts at good prices. They operate on check only basis. You have to call to make an order and when you get the invoice you send a check for the amount. Then the parts get shipped. The prices make the effort worthwhile.

A break shop in Wisconsin called **Rock Quiet Brakes** that do brakes for a very reasonable cost. The work has been excellent.
