

possible to get close by parking. **Rueben Taylor** will try to get the street blocked off for the event. There will be a luncheon at a restaurant yet to be decided. **Reuben's** car collection is worth seeing.

Gene Egert reported that Wisconsin Swap Meet was good. **Gene, Gordon Coleman and Tom Eklund** attended and thought it was worth the trip. **Gene** bought five good 19" tires and rims for a good price.

NEW BUSINESS:

The Club received a certificate from **MAFCA** in recognition of 35 years as a member of **MAFCA**. **Stu Carstens** will copy the certificate as a template for placeholders at the Christmas Dinner.

Gene Egert is still looking into our attendance at **DuPage Airport** on the annual **War Bird Family Day**. The planes usually include B-17s and other period aircraft. The date is not yet set. We may be able to go on the tarmac with our Model As. Attendees can rent flights in a couple of planes. Food will be sold there too. More information will follow.

The *Naper A's* are not invited to the annual **Joliet Region Safety Check** is Saturday, April 19, 7-2 at **Joliet Junior College**. Apparently there is an issue with liability over our being a MAFCA club at a MARC event. Instead we will hold our own safety check at **Gar William's** garage on Saturday, May 10th. The time is to be decided.

A *Model-A* starter repair tech session will be held at **Gar William's** heated garage on Saturday, March 8th at 8:00am. Coffee and rolls will be provided. **Dan Manola** will do a session on "growler" armature testing, and Noel Delessio will do one on testing the field coils.

Gene is still planning to pick a Sunday and organize a cruise to Starved Rock. Details will follow.

Tech Sessions

Ron Olson reported that the starter field coil lock screw is hard to remove because of the tension and is equally difficult to reinstall. He recommended using a drill press to push a large screw driver into the locking washer to relieve the tension, and then use a wrench to remove the screw.

Gene Egert and Lindy Williams made a house call at **Gordon Coleman's** to help him fix his engine mounts. The work went well.

Newsletter prepared and sent by Secretary **Nick Mazzarella**
