COVID-19 Dashboard
As of August 16, 2022

Updated Agency COVID-19 Status

• 3 individuals and 4 staff have tested positive for COVID-19. All are doing well.
• Specialized COVID Team members continue to be on-call.

Agency Guidelines Regarding COVID-19 Exposure

• Staff who believe they've been exposed to someone with COVID-19 and are symptom-free can work in a Wayside home and are required to wear a mask for 10 days - with the initial day of exposure being day 0.
• Staff with signs/symptoms of COVID-19 (fever, cough, shortness of breath, loss of taste and smell) are required to conduct a rapid test ASAP and report any positive test results to Wayside’s Nursing Director immediately.

Updated Family/Guardian Visitation to Individuals’ Homes

• Visitation to Individuals’ homes is available.
• Virtual visitation options such as FaceTime, Skype, and Zoom are always an option.

Updated Agency Guidelines for Families/Guardians Bringing Individuals to Their Home

• Families or guardians may bring individuals to their homes with 24 hours’ notice to the Wayside Home Manager.
• Individuals can return to their home when they wish without taking a COVID test.

Updated Pathways Day Program Status

• Avon, Garfield, Mentor, Valley View and Westlake Pathways Day Programs are open.
• Individuals attending outside day programs can participate consistent with their ISP.
• Individuals from the community (not living in a Wayside operated home) are welcome to participate with transportation arranged by their family or guardian.

Wayside’s Continued Action Plan Regarding COVID-19

• 98% Of individuals supported by Wayside are up to date with their vaccinations.
• Approximately 70% of staff have been vaccinated and all are encouraged to be up to date with vaccinations consistent with CDC guidelines.
• Health and safety measures continue to be implemented based on best practices recommended by Wayside’s Medical Director, the CDC, and State of Ohio Department of Health guidelines.
• Staff continue to utilize universal precautions, and rigorous disinfection of all surfaces.
- Individuals/staff with symptoms of COVID-19 are immediately screened by Wayside's Nursing Program and appropriate next steps are indicated on a case-by-case basis.
- All homes operated by Wayside have a dedicated vehicle for their use that is disinfected/cleaned regularly.
- All homes managed by Wayside continue to be well-stocked with food items, cleaning supplies and medication.
- Wellness checks continue to be conducted by Wayside’s Administrative Team to ensure individuals/staff are well and have necessary supplies.
