

SOUTH PACIFIC INTERNSHIPS

The South Pacific internship program offers candidates in all fields an opportunity to gain hands on training in the workplace. Most positions are non-paid training positions, which are directly related to candidates' educational background. Positions durations are from 4 -26 weeks and are available in 3 pacific destinations Fiji, Vanuatu and Papua New Guinea.

Interns will have the opportunity to gain practical work experience in both the public and private sector. We can arrange placements in the health, education, banking/finance sector as well as mining, engineering and construction.

By participating in this program, interns will be given the opportunity to gain work experience while gaining an understanding of a different culture, develop new connections and most of all internationalise their resume. It will be a rewarding experience and investment in the intern's future career that will never lose its value.
