Website Disclaimer

The information contained on the midwestparkingson.org website is approved by Midwest Parkinson’s Initiative (MPI) and is provided for educational and information purposes only, and should not be construed as medical advice, nor used or relied upon for any diagnostic or treatment purposes. The content of this website contains general information and may not reflect current medical developments. The information posted on this website is not guaranteed to be correct, complete or current. MPI does not endorse any specific tests, treatment, or procedure mentioned on the MPI website.

The information on this site is not intended or implied to be a substitute for professional medical advice, diagnosis, or treatment. All content, including texts, graphics, images and information, contained on or available through this website is for general information purposes only. MPI makes no representations and assumes no responsibility for the accuracy of the information contained or available through this website, and such information is subject to change without notice. You are encouraged to confirm any information obtained from or through this website with other sources, and review all information regarding any medical condition or treatment with your physician/provider. Please consult your healthcare provider before making any healthcare decisions or for guidance about a specific medical condition, treatment, and before undertaking a new healthcare regime and never disregard professional medical advice or delay in seeking medical advice because of something you have read on this website. Reliance upon any information appearing on this website is solely at your own risk. MPI expressly disclaims all liability with respect to actions taken or not taken by the recipient based on the contents of this site. Any information sent to MPI via Internet e-mail or through the website is not secure and is done so on a non-confidential basis. While your response will not create a patient-provider relationship, it will be treated as a confidential communication by MPI and will be afforded confidentiality protections provided by law.

The transmission of the midwestparkinsons.org website in part or in whole, and/or communication with MPI via Internet e-mail through this site does not constitute or create a patient-provider relationship between any recipients. Nothing herein is intended to create a patient-provider relationship and shall not be construed as medical advice. This website is not soliciting clients and does not propose any type of transaction. MPI does not endorse, and is not responsible for, any third-party content that may be accessed through this Website.
