Additional Lyrics

2. Stirring emotion I feel it start,
 Lit by the love burning in my heart,
 Drawn to the rhythm of the guitar and a beat
 You give to me.

Look at the moon pulling on the sea,
 Dancing with you and it's so complete,
 Magic and starlight a touch so passionately
 You give to me.

2nd Chorus: Wait for me, don't leave me here,
 Stay with me.
 Again I want to be your heart's desire.
 In your eyes, I want to see tonight eternally,
 Please wait for me.
 In your eyes, I want to see tonight eternally,
 Espérate.
