Words a - lone — are be - tray - ing. When hope

— is gone, — who'll be stay - ing? There's more — to say —

than just say - ing you will. —

Who would know — there's a rea - son. When ta - bles turn, —

who's for-giv-en? There's more — to give— than just say - in' you will. —

It's not that you would-n't try, — it's got to be in your eyes..

— And with the touch of your hand, — I — be - lieve.

— my heart could tell — that it's more than say - ing you will.

*Additional Lyrics*

3. Treasure life,  
With affection.  
It's you and I,  
Then the question.  
There's more to love,  
Than just saying you will.  
(Chorus)
