## EXPERIENCE:

### 2014-2015 Coffee Rings Design

Freelance Graphic Designer

- Designed advertisements, posters, logos, stickers, t-shirts, kickstarter campaigns, and tabletop game graphics.
- Worked for Portland, Oregon small businesses and non-profit organizations, as well as customers across the country.

### 2004-2014 Raven & Associates, Inc

Graphic Designer & Head of the Art Department

- Designed promotional materials, posters, brochures, t-shirts, embroidered garments, and patches.
- Developed and managed projects from the initial sketch phase through to production and delivery.
- Collaborated in cross-functional teams.
- Presented concepts to customers locally (Duluth, MN), nationally and internationally.
- As head of the art department, managed projects and the work of several other artists.

### 2008-2010 Rubber Chicken Comedy Theater

Contract Graphic Designer

- Designed posters, programs, and advertisements from concept to prepress.
- Created company's logo and brand identity.

### 2005-2008 Renegade Comedy Theatre

Contract Graphic Designer

- Designed posters, programs, and advertisements from concept to prepress.
- Developed layout, graphics, and interface of the company's website from sketches to launch.

### 2000-2002 Buckle Tree

Graphic Designer, Sales Person, & Silk Screen Printer

- Created silk screen designs for souvenir garments for the Sturgis, South Dakota motorcycle rally.
- Worked on all stages of production: initial sketches, file digitizing, ripping, burning screens, setting up printing runs.

## EDUCATION:

### 2000-2004 B.F.A. - Graphic Design

University of Minnesota - Duluth

Studied all aspects of graphic design, advertising, typography, branding, printmaking, print design, web design, illustration, photography, and information design.

## TECHNICAL SKILLS:

## INTERPERSONAL AND SOFT SKILLS:

- Experienced at working collaboratively with clients to achieve their vision.
- Adept at working closely with coworkers as well as designing independently.
- Able to balance numerous projects under quick deadlines.
- Skilled at producing the perfect design solution for both print and web media applications

## PERSONAL INTERESTS:

- Woodworking, woodburning, knitting, and making things with my hands.
- Hiking, camping, canoeing, swimming, and exploring the Pacific Northwest.
- Playing and designing board games.
- Friends and family. Everything is better with people you love.
