

Heart of Flesh

Stephen Witt

Verse:

F#m D Esus
You said if I would seek You I would find You
F#m D Esus
You said if I would ask it would be mine
F#m D Esus
You promised that You'd never ever leave me
F#m D Esus
You promised that You'd never leave my side

PreChorus:

F#m D Esus
I'm running after You, I'm running after You
I'm running to Your side, I'm running to Your side
I look into Your eyes, I look into Your eyes

Chorus:

F#m D Esus
Here in this place have I found freedom
F#m D Esus
Here in this place I've found new life
F#m D Esus
Right here my burdens gone I leave them
F#m D Esus
For the love that burns in Your eyes

Bridge:

F#m D Esus
You're taking the heart of stone and giving a heart of flesh
F#m D Esus
You're changing us, right before our eyes
