We have been enjoying our ocean theme this summer:

We have been learning many things about the ocean and will continue in the month of August. Thank you Hortensia AKA Ian's Mom for teaching us about sand, kelp, otters, crabs and much more.

Please remember to sunscreen your child in the morning before school.

We spend a lot more time in the sun during the summer months. Please put sunscreen on your child before you bring them to school or summer camp. If you forget, we have sunscreen available for you to use. Also make sure that your child has an extra swimsuit and/or a change of clothes in their cubby every day.

Sincerely, *Jenny Yznaga*
