Flowsheet and I&O: PHYSICIAN VIEW

Physician View displays documentation entered by nursing and ancillaries in one easily accessed interactive Flowsheet called iView.

- **Playbook Position Providers:** Access Inpatient Provider tab and click on the Intake and Output Hyperlink. This takes you to the Physician View below.

- **Non-Playbook Position Providers using summary pages:** Access Physician View from the Inpatient Summaries page. Click on the Intake and Output Hyperlink and select “Physician View.”

You can also click on “Flowsheet and I&O” in the table of contents to access the Physician View.
