WINE ENTHUSIAST[®]

BUYING GUIDE

91 **Left Coast Cellars 2014 Cali's Cuvée Estate Grown Pinot Noir (Willamette Valley).** A splendid example of affordable Oregon Pinot, this benefits from a great vintage for forward, fruit-driven wines. It has additional assets: balance, texture and length, all compact in a young wine still in its infancy. The sappy raspberry fruit and overall polish suggest giving it another couple of years of bottle age before opening. *Editors' Choice.* —P.G.
