Winemaker's Tasting Notes:

Left Coasts Syrah delivers pure dark blackberry, plum and a shelf full of spices. An open palate fine-grained tannins lead to a toasty mineral finish.

At top of our Right Bank vineyard lies nearly an acre of Syrah planted in a "hot spot" microclimate that lends itself to this cool-climate Noir clone. At 335 feet of elevation, these clones receive the best of the heat and the cool marine breezes flowing through the Van Duzer Corridor.
