

Code of Conduct

As a Henchman, you will be a representative of yourself, your store/club, your community, and this company. We have certain expectations and requirements in that regard.

On the Forum

As a Henchman, you should take extra care in how you behave on the forum. While your primary responsibility is growing your local community, you are also a part of the worldwide Wyrd community. We encourage you to be respectful and helpful on the forum even beyond the forum rules. This includes being accepting and inclusive of everyone in the community – if there is an issue, bring it to the moderators' attention.

If, for some reason, you are banned from the forum you will immediately lose your Henchman status. In addition, if you are being warned and put into moderation repeatedly you may lose your Henchman status at our discretion.

In the Community

It is important to remember that you will be seen as a representative of different groups, but you do not speak for those groups (for example, you may not claim or imply that you speak for Wyrd). As such, be careful about the way you speak and how you act. You must be polite and respectful at all times. Attempt to express your opinions in a way that makes it clear they are your opinions.

Wyrd supports having an inclusive and friendly community. Henchmen should act with respect at all times, and do what they can to encourage the growth of the game. Any behavior that is disrespectful of a member of the community (or a potential member of the community) will not be tolerated.

Enforcement

Wyrd may take action for any infractions against the policy outlined above, up to and including removal from the Henchman program. Loss of Henchman status will remove any and all Soulstones you may have accumulated.

You may also be removed from the program for crimes committed that we deem incompatible with our values, regardless of their relationship to our games and community.

The goal of a Henchman is to expand and support the community, and the goal of the Henchman Program is to support the Henchmen. Growing and supporting the community can be difficult, and at times you may not wish to be polite. If you find yourself unable to do so, you may want to consider stepping down as a Henchman. If there is some way Wyrd may be able to help you, please let us know.

Please sign below to acknowledge that you agree to the above Code of Conduct.
