Master of the Waves: When any Fireteam from this unit starts its Activation in base contact with a friendly Tide Pool, it may place in base contact with any friendly Tide Pool in play.

Creeping Ever Closer: While deploying, your Deployment Zone is increased by +3" for every instance of this Ability in your Company. This does not increase your Deployment Zone size for other game purposes.

DISABLE 2

When a Fireteam in this unit suffers damage, you may □ this Asset to reduce that damage by 2.
DISABLED

Scrap (1): When a Fireteam in this unit suffers damage, you may remove this Asset from the game to reduce that damage by 1.
