Hope from Nicaragua

We are kicking off the holiday season with our Holiday Stories of Hope. This year we'll be telling various stories demonstrating how your donations allow us to Give Hope. Our first story comes from Nicaragua. Yamileth is a 29 year old mother of four whose two youngest sons (twins, Denis and Delwing) are enrolled in our Child Sponsorship program. We sat down with Yamileth to let her tell you, in her own words, how Manna has impacted her life.

AmazonSmile

If you are an online shopper or Amazon addict and you're planning to purchase gifts on Amazon this holiday season, we have great news! A new service called AmazonSmile makes it easy for you to support us while you shop.

Simply shop at AmazonSmile, choose Manna Project International as your charity and 0.5% of each eligible purchase is donated to MPI. It may seem like a small amount, but it quickly adds up with multiple purchases from all of our supporters.

#GivingTuesday

#GivingTuesday is a dedicated day of giving back to organizations around the world. After two days of shopping - Black Friday, Cyber Monday - it's a day to give back.

Our goal for #GivingTuesday is to raise $10,000. It is 1/3 of our total Holiday Hope fundraising need. On Tuesday, December 3rd will you join us in supporting communities in need?

Ecuador Launches Indiegogo Campaign

The Ecuador team has launched an Indiegogo fundraising campaign in order to double lending capacity. By the next loan cycle in January we’d like to offer 14 loans totalling $5,500 at the incredibly low interest rate of 9%. (23% is the average in Ecuador).

Visit their Indiegogo page and help them provide loans have to more small businesses.
