Spring Break 2012: 108 students - 8 universities - 4 weeks

What an amazing Spring Break with incredible teams from:

University of Georgia - University of North Carolina - Vanderbilt University - Tulane University - Emory University - University of Alabama/Birmingham - Whitman College - Worcester State University

Here are some thoughts from Spring Break participants:

"I just loved walking through the community and getting to know the local leaders and students who the PD's have been working with all year. I also liked that the focus of our trip was not necessarily on a specific project, rather gaining a fuller understanding of the poverty problem and manna's efforts to improve the community." - Alex Hostetler, Vanderbilt University

"I was blown away by how much I was getting out of the experience when I was the one who was supposed to be giving." - Maggie Brown, UGA
