

HURRICANE HARVEY DONATION DRIVE

SENATOR ELAINE PHILLIPS, LOCAL VILLAGE MAYORS,
AND ISLAND HARVEST ARE PARTNERING TO ASSIST
THOSE AFFECTED BY HURRICANE HARVEY

Here on Long Island, we know all too well of the devastation and destruction that major hurricanes, and their aftermath, can cause our families, homes, businesses, and communities. The thoughts and prayers of all New Yorkers are with our fellow Americans now coping with the unprecedented and catastrophic flooding caused by Hurricane Harvey. The imagery coming out of southeastern Texas is heartbreaking, and although we are thousands of miles away, there are ways to help during this disaster. Please consider donating desperately needed goods to this donation drive.
