

VILLAGE OF PLANDOME RESIDENT UPDATE

May 1, 2018

Re: FAQ's - Garbage and Rubbish

Meadow Carting – (516) 338-0121

- Collection Schedule: approximate pick up – commences route 7:30am, (no earlier) and concludes not later than 3:30pm. Half the village's garbage collection is serviced on Mon., Wed., Fri. and the other half is Tue., Thur., Sat.
- Services: Leave covered trash cans outside, village has contracted for rear pick up, driveway. Therefore you do not need to bring your trash to the curb. * Unless deep snow will cause difficulty getting access.
- No collection services on holidays as observed by Town of North Hempstead. If a collection day falls on a holiday, pick up will be made the following day in addition to the regular schedule.
- "garbage" – any refuse from normal household operation, food and non-recyclable food containers. Garbage is collected from rear or side of dwelling and does not need to be brought to curb.
- "rubbish" – all remaining items except for refuse from anything that requires a building permit. Rubbish is collected from "curbside", that is generally defined as the grassy area adjacent to paved street and in the area of the driveway.
- Large items collected on Fridays.

Snow conditions may impact the pick-up times and days. The Village website will be updated as information is available. Garbage and rubbish may need to be left curbside during snowstorms if entering a driveway is difficult or dangerous to navigate.

Other waste removal:

	Recycle materials: Placed in blue bins, collected on regular scheduled days		Leaves/Grass clippings: Sealed in clear plastic bags; collected Mondays or Tuesdays.		Newspaper/Magazines: Stacked and batched; collected Thursday or Fridays.
	Medical items: Drop unused prescription medications to Police Station		S.T.O.P. Stop T hrowing O ut P ollutants, see details: www.northhempstead.com/STOPprogram		Electronics/e-waste: TONH annual e-waste days are scheduled. Drop off Sundays 7:30am – 2:30pm. 999 West Shore Road, Roslyn. Or donate: www.freecycle.org
