WHAT IS CCC'S SUMMER SOIRÉE?

The Coalition of Communities of Color's (CCC) Summer Soirée is our annual fundraising gala. This is an opportunity to deepen your connection to our work, gather with 500+ community leaders and partners, and invest in our mission to advance racial justice through sponsorship, paddle raises, and celebrating one another. We can only do this work with your support.

WHAT YOU CAN EXPECT

Lively conversations and plenty of time to connect with dozens of community partners and leaders. Make new connections with guests and catch up with those you know. Learn more about our work and deepen your connection with the CCC. Enjoy a wide range of local BIPOC-owned catering options with a variety of cuisines, a program that will motivate and energize you, and tunes by a DJ to end the evening. Get ready to show up and show out at this year's event!

WHO WE ARE AND WHAT WE DO

At CCC, we believe the community should power decision-making that impacts our everyday lives. Historically, we know that hasn't always been the case. We formed in 2001 to bring the voices of our culturally diverse communities together for systemic change. As an organization, we do so through our three main programmatic areas: the Research Justice Institute, Environmental Justice, and Collective Advocacy. As a coalition, CCC is comprised of 18 culturally specific member organizations – each with their own unique mission, but all working together to advance racial justice and better outcomes for BIPOC communities in Oregon. Learn more about our organization at coalitioncommunitiescolor.org.
