Trinidad and Tobago Energy Conference 2020

Sponsorship Guide & Commitment Form

Background:

The Energy Chamber of Trinidad and Tobago is the host of Trinidad and Tobago Energy Conference (TTEC), the premier annual meeting of local, regional and international energy experts. Established almost three decades ago, it is highly regarded as the most industry relevant Conference, attracting roughly six to seven times more attendees than other annual energy conferences held regionally.

Historically, our delegates have included CEO’s, upper and middle management and leaders from the major industry players, as well as government and academia, all of whom have consistently attended because of the exclusivity and integrity of the industry intelligence presented. Conceptualised by the energy sector for the energy sector, the conference drives the annual agenda for the industry. Participating companies use the event to share industry trends and announce future projects.

The Trinidad and Tobago Energy Conference provides a solid platform for participants to:

✓ forge new business relationships and strategic alliances through networking.
✓ highlight their strengths to all the major purchasers of goods and services and a very wide cross section of both local and international service companies and contractors.
✓ glean timely and useful information to help plan their short and medium-term business strategies.

Our registration fees are under fifty percent of the fees charged by other internationally organised energy sector conferences held in Trinidad & Tobago. Our strategy is to keep our registration fees at a competitive rate to allow all members of the Energy Chamber access to the event. Sponsorship is therefore crucial in helping us to make the conference fees affordable to our members, especially the small local companies, while at the same time generating a surplus. The surplus goes towards supporting the on-going advocacy activities of The Energy Chamber of Trinidad & Tobago.

DATE AND VENUE

The three-day event will take place on:

✓ Monday February 3rd and Tuesday February 4th, 2020 (Main conference).
✓ Wednesday February 5th, 2020 (Business to Business networking & workshops).
✓ Three-day Tradeshown which runs from Monday February 3rd to Wednesday February 05th, 2020.

All events are held at the Hyatt Regency Trinidad, Port of Spain.
WHO WILL ATTEND?

The 2019 Trinidad and Tobago Energy Conference attracted interest and participation from a wide cross section of the industry, government and academia. Over 1700 participants, including delegates and trade show visitors attended the conference, which was once again, very well supported. Most of the delegates were from executive management and senior managerial level.

4. Gas value chain
5. Energy efficiency
6. Industrial relations
SPONSORSHIP ENTITLEMENTS AND BENEFITS

Marketing the Conference, Tradeshow and Workshop:

To ensure maximum attendance at the Conference, Workshop and Tradeshow, there is a dedicated Conference website accessible at www.ttenergyconference.org
In addition to this, the event will be promoted through:

✓ Direct mail to over 380 Energy Chamber member companies, including all of the major energy sector companies in Trinidad & Tobago.
✓ Direct mail to several thousand members of all other business associations/organisations affiliated with the Energy Chamber of Trinidad and Tobago.
✓ Advertising in news media including Trinidad Express, Trinidad Guardian newspapers, CNC3 and the Energy Chamber’s trade newspaper, EnergyNow.
✓ Promotional banners posted on the website of our media partners at least 1 month prior to the event.
✓ Facebook, YouTube and LinkedIn.
✓ Digital banners at strategic locations across Trinidad.

MEDIA COVERAGE AND ATTENDANCE:

Traditionally oversubscribed to by the local print and electronic media, the conference, tradeshow and workshops have also received excellent international media coverage with representatives from Oxford Business Group, Oil and Gas Year, Oil and Gas Journal, the Economist, Upstream, Argus Media and Reuters usually in attendance. There are also opportunities for news media exposure via interviews which can be arranged by our media liaisons.

**Additional benefits:**

- All Platinum Sponsors will be listed as an Opening Ceremony sponsor and as such will also participate in the CEO’s Panel discussion and the ribbon-cutting ceremony to open the Tradeshow; branding for this event **only** will reflect that joint arrangement.
- A member of your global management team is given the opportunity to deliver an address on Day 1 or Day 2 of the conference.
- Three (3) full complimentary registrations (i.e. 3 persons for 2-day registrations which cannot be split).
- Publicity material and promotional items (supplied by sponsor) will be included in the delegate folios.
- Sponsor will be mentioned and thanked in the CEO’s opening address and closing vote of thanks.
- A list of all attendees will be made available to sponsors, post-event.
- Reserved table with assigned service at the event which you have sponsored (limited to sponsors of Lunch on Day 1 & 2, and Business Breakfast on Day 2 with a maximum seating for 10 guests).

**Public relations benefits:**

As the named sponsor of any of the following (all of which are allocated on a first-come, first-served basis), your company representative will have the corresponding speaking opportunity:

- **Opening Day Cocktail Reception:** 5-minute opportunity to bring remarks at the event.
- **Day 1 Luncheon:** 10 – 15 minute opportunity to bring remarks at the event.
- Business Breakfast Day 2 (a buffet breakfast for delegates and media in Port of Spain Ballroom): Sponsor will liaise with ECTT to have a motivational/other speaker at the breakfast (10 – 15 minutes).
- Day 2 Luncheon: Sponsor is given a 10 – 15-minute opportunity to bring remarks at the event.
- Closing Cocktail hour: Sponsor is given a 5-minute opportunity to bring remarks at the event.

**Tradeshow benefit:** Platinum sponsors have first preference on Pavilion, Gold (10ftX10ft), Silver (8ftx8ft) or Bronze (6ftX6ft) booth package for one week prior to the general marketing of the Energy Conference Tradeshow. Kindly note that we will not be placing a “hold” on booths.

**N.B:** The cost of booth/pavilion spaces is **not** included in the sponsorship cost.

**Notes:**

- With regard to the sponsored events, please note that sponsorship only covers the cost of the standard Hyatt bar and menu. If sponsors require additional premium menu items, premium beverage options or company specific décor they will be required to meet the additional costs.
- Sponsors will also have to meet the costs associated with any specific entertainers for these events (excluding the cocktails, for which the entertainers must be pre-agreed upon by the sponsor, in accordance with the budget. Should the cost of preferred entertainment exceed the budgeted cost, the difference will have to be met by the cocktail sponsor).
- Collateral/publicity material and promotional items: In order to ensure quality and consistency and to avoid repetition, sponsors wishing to include items in the conference folio are asked to verify with us in advance of production. Please note that sizing and weight must meet certain specifications. Send all related questions to michelle@energy.tt. All collateral/material must be delivered to the Energy Chamber's office by December 16th, 2019.
- Logos will appear in all marketing material based on the order in which we receive confirmation of your participation as a sponsor.
- Sponsors are asked to note that only one logo per sponsor is permitted.
- Any updates/changes to logos after the initial submission, will attract a fee.

*Please note that all prices listed may be subject to exchange rate fluctuations when converting to TT dollars*

Sponsorship Confirmation Form C
Trinidad & Tobago Energy Conference 2020

GENERAL TERMS AND CONDITIONS:

- Sponsored events in the Platinum and Gold levels will be allocated on a ‘first-come, first-served’ basis.

- Booth space in the Tradeshow will be allocated on a ‘first-come, first served’ basis. Sponsors are asked to note that the conference sponsorship figure agreed to above does not include the cost of a booth. To enquire about booking a space, please contact Ariane Moonsie at 6-ENERGY ext. 29 or via email at ariane@energy.tt

- Confirmation of sponsorship must be made on the Sponsorship Confirmation Forms (pages 13 - 16) and should be emailed to michelle@energy.tt. On completion and submission of the duly authorized Confirmation Form, an invoice will be sent to you; this will serve as a binding contract. A payment of 50% of the total cost is required to secure your position within 30 days of the date on the invoice. The balance is due by November 02nd, 2019.

- Please note that due to foreign exchange rate fluctuations, the equivalent value of the TT$ to US$ amounts is subject to change, based on the existing exchange rates.

- Cancellation Policy: If a Sponsor cancels or changes the sponsorship category after an application has been accepted by the Chamber, they must immediately inform the Chamber in writing and shall become liable for the following cancellation/reduction charges:
  - 25% of the total value if the cancellation is made on/before November 02nd 2019
  - 50% of the total value if the cancellation is made after November 2nd, 2019 and on/before December 04th 2019
  - 100% of the total value if the cancellation is made after December 4th 2019
  Please note that costs would have already been incurred by the dates above and must be covered by these fees.

- The Sponsor is responsible for submitting all logos in high resolution Adobe Illustrator (AI) or high res PDF format by September 20th, 2019 in order to be included in the conference agenda and other printed collateral. Kindly note that in order to add your logo to our website, within one week of confirming your sponsorship status.

- All other Conference collateral/promotional items should be submitted no later than December 16th, 2019. In selecting your promotional item or collateral, please bear in mind that we have replaced the conference bag with a portfolio. Please contact Michelle Rahman at 6-ENERGY ext. 33 to verify the suitability of your item before ordering.
• The Energy Chamber will not be liable for damage or loss to a sponsor’s properties through fire, theft, accident or any other cause, whether the result of negligence or otherwise, during the event.

• Sponsors are asked to note that logos will appear on all conference material in the order in which your sponsorship commitment form is submitted to us. There will be no exceptions.

• Only one logo per sponsor is allowed. Additionally, any changes/updates to logos after the initial submission, will attract a fee.

• *Please note all prices listed above may be subject to exchange rate fluctuations when converting to TT dollars.

We have read and agree to abide by the foregoing terms and conditions:
