

## Limited Warranty

### Residential Standby Model GSBA & GSBB Generator Sets

This Limited Warranty applies to Cummins Onan® branded Residential Standby Model GSBA & GSBB Generator Sets, hereinafter referred to as "Product".

This Limited Warranty covers any failures of the Product, under normal use and service, which result from a defect in material or factory workmanship.

### Warranty Period:

The Limited Warranty start date is the date of sale of Product by Cummins Power Generation®. Warranty coverage for this product shall be five (5) years or two thousand (2,000) hours from the date of commissioning whichever occurs first; provided, however, warranty coverage for Product used in off grid applications shall be one (1) year or one thousand (1,000) hours from the date of commissioning, whichever occurs first

### Cummins Power Generation® Responsibilities:

In the event of a failure of the Product during the warranty period due to defects in material or workmanship, Cummins Power Generation® will only be responsible for the following costs:

Year	Travel/Labor	Parts
1	yes	yes
2	yes	yes
3	no	yes
4	no	yes
5	no	yes

- Parts and labor required to repair the Product subject to the table above.
- Maintenance items that are contaminated or damaged by a warrantable failure.
- Reasonable travel expenses to and from the Product site location according to travel guidelines subject to the table above .

### Owner Responsibilities:

The owner will be responsible for the following:

- Notifying Cummins Power Generation® distributor or dealer within 30 days of the discovery of failure.
- Installing, operating, commissioning and maintaining the Product in accordance with Cummins Power Generation®'s published policies and guidelines.
- Providing evidence for date of commissioning.
- Providing sufficient access to and reasonable ability to remove the Product from the installation in the event of a warrantable failure.

In addition, the owner will be responsible for:

- Incremental costs and expenses associated with Product removal and reinstallation resulting from non-standard installations.
- Costs associated with rental of generator sets used to replace the Product being repaired.
- Costs associated with labor overtime and premium shipping requested by the owner.
- All downtime expenses, fines, all applicable taxes, and other losses resulting from a warrantable failure.

### Limitations:

This Limited Warranty does not cover Product failures resulting from:

- Inappropriate use relative to designated power rating.
- Inappropriate use relative to application guidelines.
- Normal wear and tear.
- Improper and/or unauthorized installation.
- Owner's or operator's negligence, accidents or misuse.
- Lack of maintenance or improper repair.
- Noncompliance with any Cummins Power Generation® published guideline or policy.

Limitations Continued:

- Use of improper or contaminated fuels, coolants or lubricants.
- Improper storage before and after commissioning.
- Owner's delay in making Product available after notification of potential Product problem.
- Replacement parts and accessories not authorized by Cummins Power Generation®.
- Damage to parts, fixtures, housings, attachments and accessory items that are not part of the generator set.
- Owner or operator abuse or neglect such as: operation without adequate coolant or lubricants; over fueling; over speeding; lack of maintenance to lubricating, cooling or air intake systems; late servicing and maintenance; improper storage, starting, warm-up, run-in or shutdown practices, or for progressive damage resulting from a defective shutdown or warning device.

This Limited Warranty shall be enforced to the maximum extent permitted by applicable law. This limited warranty gives the owner specific rights that may vary from state to state or from jurisdiction to jurisdiction.
