Poems

By Bridgett Zahniser - 3rd Grade - International School

ME

I'm special all by myself
I can reach the highest shelf
I can go back in time
And see myself alone
But now that I'm older
I have lots of friends

THE BIRD

The bird perched upon a tree
And called in a whisper
To his friends and said,
"It's time for a trip to the south,
My friends.
It's time for a trip to the south
And I'll lead the way."

THE BUTTERFLY

Fly, fly, fly
High above the sky
That only you can reach

Little butterfly
IF YOU HATE

If you hate

You won't have a mate
You won't even know the date,

The date,

You won't even know the date.

You'll be late

For school and work
And everything you do
And none of your dreams
Will ever come true.

THE ANGEL PUPPY

Angel puppy,
You'll have lots of toys.
Angel puppy,
You'll marry and have lots of boys.
Angel puppy,
You'll have lots of joys
But not now,
You're still a puppy.
Little angel puppy.
