Students celebrate Sakura Matsuri

Students and families at the International School in Portland recently celebrated *Sakura Matsuri* (the Japanese cherry blossom festival) with a school-wide performance and festivities. Fifty-three students in preschool through fifth grade performed songs and skits in Japanese for their peers, friends, and parents.

The International School offers full immersion instruction in Japanese, Chinese, and Spanish for children in preschool through fifth grade. To learn more, call (503) 226-2496 or visit <www.intlschool.org>.
