crayons for coloring, books  
for reading, and so much more!***

When we want to learn something new,  
we start by asking questions.

“What do  
we already  
know?”

“What do  
we want to  
know?”

“How are we  
going to find  
out?”

**“Why do people  
ride bikes?”**

**“Why do birds  
have feathers?”**

**¿por qué?**

**为什么**
