

Instructions: Please complete this form in consultation with your school or department advisor. The Department of Veterans Affairs requires that all students receiving benefits under the G.I. Bill follow a formal education plan on file with the certifying official at the university. This plan must outline the general and specific requirements of the student's program of study, including core and required elective courses. VA rules stipulate that only courses applying toward this formal course of study may be considered for benefits purposes. This form may be completed either by the advisor or the student, however, it must be endorsed by the advisor only after it has been completed. Return this form to the Veterans Affairs Unit within the Office of the Registrar, 120 Sproul Hall. **Please type or print in black or blue ink.**
