

Friends,

We hope that 2018 has started with blessing and an optimistic outlook for you. It's going to be a great year.

2017 was a good year for Messengers of Hope as we continue to grow. Our income and expenses were as follows:

\$103,819.84 Total Donations (increase of 18% from 2016)

\$2500 Pastor Support

\$10,000 Church Bldg

\$9500 Medical Supplies

\$10,000 Water well and land

\$70,819.84 for Conferences and Mission Expenses

*This does not include funding for 3 water wells that was given directly to Hands of Love Foundation from our partner, The Factory Church. **Thank you all for your generosity and prayers!**

[Click here to view the newsletter photos](#), they were taken at our newest church that was funded in November. Kakumiro International Christian Centre is under way. Inflation has affected the country in ways we have not seen in recent years in the US. With that said our C3 construction projects now cost \$15,000 to fund to completion. That is still a good value for a roughly 4000SF building that should last over 100 years. If you recall, the local members make all the bricks and the land is owned. The quality of construction is impressive. We have \$1,000 in hand for our 4th building and a church is working on raising the rest. If you would like to participate please let us know. Our goal is to build 100 buildings with water wells in the next 5 years.

This is the 4th year that we will be going to Uganda for pastor and leader conferences. April 10-20, we have a team going to participate in 1 conference at Kampala International Christian Centre, 2 follow up meetings with Senior pastors in Namayingo/Eastern Uganda and Kibaale/Western Uganda and grand opening of our newest building in Kakumiro. Our budget is \$20,400 for the trip including meals for all attendees and the opening celebration of the new building which will be a big deal for the community.

We hope that you will get the chance to come with us one day. In the meantime we appreciate your support and prayers. If you would like to support our April mission you can give online ([Give Thru Stripe](#)) or ([Give Thru PayPal](#)) or you can send a check to Messengers of Hope, Inc., [301 Heritage Walk, Ste 107, Woodstock, GA 30188](#).

God bless you and thank you for being our friend!
