EDUCATION RENTALS AT LAUMEIER

If you are looking for alternative options for schooling or homeschooling this year, Laumeier Sculpture Park has unique rental spaces available that may suit your needs. Our outdoor and indoor spaces allow students to engage in socially distanced group study and independent learning.

OUTDOOR / MOSS SHELTERS, CARRIAGE HOUSE DECK

Outdoor spaces have covered roofs or tents with open sides. Picnic tables with built-in benches are provided. Outdoor spaces are only available for rent through October 31st. **Capacities are based on current government guidelines and safe social distancing and are subject to change as COVID-19 mandates change.**

**Moss Shelters**
Tucked in the Woodlands, this complex of small structures in close proximity can function well for groups divided into smaller units. The spaces include ceiling fans and public restroom facilities. **Up to 24 students can work and learn while maintaining 6 feet of space between them (expected capacity beginning in September will be 36 students).**

**Carriage House Deck**
Located in the front of the park close to parking lots and the main entrance. This space is attached to a building with public restroom facilities. **Up to 6 students can work and learn while maintaining 6 feet of space between them.**
INDOOR / KRANZBERG EDUCATION LAB
The Kranzberg Education Lab (also known as the Estate House) has multiple rooms available for a variety of uses. Tables and chairs are provided with the rental, and all spaces have access to private restroom facilities. Please note that some of the photos below were taken prior to 2020, and therefore, do not depict a socially-distanced set-up. Room capacities are based on current government guidelines and safe social distancing and are subject to change as COVID-19 mandates change.

Tile Room
Up to 5 students can work and learn while maintaining 6 feet of space between them.

Fireplace Room
Up to 6 students can work and learn while maintaining 6 feet of space between them.
Studio Room
With a sink, this space is ideal for “messy” work like art making. Up to 4 students can work and learn while maintaining 6 feet of space between them.

Wheel Room
Up to 4 students can work and learn while maintaining 6 feet of space between them.
**PRICING + CONDITIONS**

Rental prices start at $400. Inquiries on short and long term rentals are welcome, although availability of spaces for long term rental is limited. Packages that combine outdoor and indoor spaces are also available. Pricing depends on the spaces requested, length of the rental, sanitation requirements and other factors.

All spaces will be cleaned prior to the start of a client’s rental. All clients are required to clean up after the rental and dispose of trash in provided trash cans. If additional cleaning is required from Laumeier immediately following a rental for any reason, then additional fees will apply. If any type of catering or food is brought in, additional cleaning fees may apply.

Curricula on art making and sculpture study are also available to supplement your own lesson plans. Inquire for more information.

For quotes and availability, please contact Laumeier’s Special Events Department at events@laumeier.org and indicate your preferred venue(s), date(s), total number of people and any other requests.
