13.1.17

Hello

Well as we enter this cold spell of weather we are reminded that it is still winter out there! It is a lot windier at the moment and the paths and playground are icy so please do take care in a morning and an evening.

Bishop Marcus' visit

On the 24th January, at 10am, Bishop Marcus will be visiting St Joseph's to officially open and bless the new extension and the new collective worship table bought by you the parents.

Everyone is welcome to join us for this wonderful celebration and it will be a great opportunity to show the diocese what a thriving family community we have here at St Joseph's.

Dinner menu

This week's Dinner menu is week 3. If you have any queries about the new menus please do come and see us.

School photos

The professional photographs will be taken in school on Wednesday. There will be a letter coming home with the details on. Don't forget to brush your hair!

Please do take care!

I am afraid to say that we are still having a couple of issues with the parking around school. There have been a number of complaints again from the neighbours in the area as parents are still blocking their driveways meaning they are unable to leave their own properties.

I know that there is limited parking in the morning and evening but can I please ask that we are respectful to the residents on Mount Pleasant road.

There have also been a couple of near misses with cars not seeing children when reversing on the Church carpark. Again may I ask that we are extra vigilant when entering and exiting the carpark as when the children are walking, they are not always visible.

Admissions consultation

As a parish our parish boundary has been increased therefore this affects the admissions policies for our school .

In accordance with the consultation procedure, please find below the link to consultation on parish boundaries referred to in the admissions policies for September 2018 for St Mary's, Menston and St. Joseph's Pudsey and explanatory text.

Please note the consultation closing date of 31 January 2017.

Admissions consultation regarding Admission for September 2018

As the admissions' Authority for the schools within the Bishop Wheeler Catholic Academy Trust, the Directors wish to consult in accordance with the Admissions Code on the following changes to the boundaries covered in the admissions policies for St. Joseph's Catholic Primary School Pudsey, a Voluntary Academy and St. Mary's Menston, a Catholic Voluntary Academy. The Bishop has authorised under canon law the change to parish boundaries as given in the description below:

"After consulting the Council of Priests on 13th July 2016, I wish to inform you that the boundaries of the Parish of St Joseph, Pudsey and the Parish of St Mary, Bradford have been redrawn with the territory bounded by Bradford Road, Daleside Road, Galloway Lane and the Calder Valley Railway Line being ceded to the Parish of St Joseph, Pudsey".
