

KRYSTAL GLASS

ON-AIR TALENT | INFLUENCER | PODCASTER

Poised, relatable, and engaging best describe Krystal Glass' ability to captivate an audience of any kind.

Krystal Glass was born in Washington, DC and raised in a family of 10. Growing up in a household with 9 siblings with various personalities, sexualities, and perspectives; created the foundation for Krystal Glass' mass appeal to people from all walks of life.

With the gift of gab and the natural ability to provoke intriguing dialogue, Krystal Glass is an on-air Podcaster known for her ability to lead a compelling conversation that is highly engaging and promotes audience participation.

Krystal Glass has moderated intricate conversations on topics including: race relations, politics, sexuality, love & relationships, social justice, women's empowerment, and much more.

In addition to hosting podcast conversations on an array of topics; Krystal Glass has a strong presence in the women's empowerment community through speaking engagements focused on women-supporting-women, Brand Ambassador roles with hair & beauty brands, and a rapidly growing social media influence.

Krystal Glass is featured in ESSENCE, Huffington Post, BuzzFeed, FOX45 News, and more. The most compelling aspect about Krystal Glass is her ability to unfold a conversation with a balance of sophistication and raw realness.

When it comes to engaging a live audience, facilitating conversations around complex issues, or empowering women, Krystal Glass delivers!
