

At the National Association of Student Councils Conference
Century High School, Hillsboro, Oregon
June 23-26, 2016

With the NASC conference just next door, 2016 could give you a once in a lifetime opportunity to **Explore Your Leadership Potential** at a national conference!

Here are three ways to get involved:

1. Join the **Association of Washington Student Leaders (AWSL)** as we take a delegation of high school leaders and advisers to Oregon to participate in the National Association of Student Councils Conference. As a state delegation we will take up to 50 students on a Charter Bus.
2. Register and travel with an adviser and group of students from your own school. Our state delegation will meet you there and we can make arrangements to have matching state shirts for you if you are interested. (This arrangement might save you money or travel time depending on area of state you are traveling from.)
3. If you live in the Greater Vancouver area and are within 30 miles of Century High School in Hillsboro, Oregon you can stay at home and save on lodging! Schools eligible for this option would need to register with their adviser and arrange for their own transportation each day. State shirts could still be ordered.

NOTE: The actual conference registration is \$385 per person for NASC member schools. Non-member schools pay \$485 for registration. Schools can join NASC for \$95—not only would you save money but you'd be able to utilize NASC Resources throughout the rest of the school year. Visit www.nasc.us for details.

AWSL State Delegation NASC Conference Registration (continued)

PARTICIPANT COMMITMENT

During the conference we count on the delegates to behave in a mature and responsible manner and to remember that they are representing their school, community and state at all times. As a member of the Association of Washington Student Leaders (AWSL) delegation we require the following commitments:

1. Delegates must attend all activities at the designated times and places. *Delegates who cannot commit to the entire conference may not attend.*
2. Delegates must respect the rights and safety of others. Students exhibiting irresponsible behavior that endangers the health, safety, or welfare of themselves or others, or any student engaging in inappropriate sexual contact will be sent home immediately at their own expense.
3. Delegates must be in good standing with their local school and district in order to be a part of the Washington State delegation. If school officials deem it inappropriate for a student to attend due to discipline or behavior infractions incurred between the time of registration and the date of the trip the student, family or school will still be responsible for the entire cost of the trip. If a replacement delegate is recommended and accepted, substitution fees will be the responsibility of the student, family or school.

Student Agreement: As a member of the AWSL delegation to the NASC Conference, I agree to the expectations listed above.
