

Let's LIFT UP our COMMUNITY!

At Cheer Camp this summer, your cheerleaders will be a part of lifting up our community by creating toys to give to local children's hospitals. Each team is encouraged to bring the following supplies to make these toys:

- Rice or stuffing to fill the sock bunnies (A few cups per toy)
- Twine
- Socks (that aren't ankle socks; one per toy)
- A fabric ribbon (Any color will do!)

If you want to bring other stuffed animals, in addition to creating some, you would be more than welcome.

let's make it
