Create a Culture • Close the Gap • Ensure Safety • Engage the Community

A bilingual leadership conference for middle level Latino students

iLa Chispa! translates as The Spark! Our goal for this one-day leadership conference is to ignite a spark and create a flame of focused energy with middle level Latino students in Washington state.

Why iLa Chispa!?

The Latino population is the fastest growing student population in the nation. Unfortunately, the Latino student population also claims the highest dropout rate of all student demographic groups. La Chispa's dual language delivery model values the bicultural experience of Latino youth and helps to inspire an academic identity!

Student Participants Will:

- Build an academic identity through positive connections with Latino high school role models
- Engage in a bilingual & biliterate environment designed to promote the value of reading, writing and speaking in two languages
- Learn leadership and life skills including: goal setting, teambuilding, leadership styles, resiliency, service to one's school and community, and negotiating a bicultural existence

Adults attending the conference will learn with their students and will also have networking time with other committed educators and community members from 11am-noon.

Padres

Se ha invitado a su hijo/a a participar en ¡La Chispa!, un taller de liderazgo por una día. ¡La Chispa! practica un modelo de lenguaje dual en Inglés y Español. Lo llamamos Liderazgo Bilingüe. Mediante la presentación de contenido en inglés y español, los estudiantes experimentan una función escolar que practica activamente los valores del ser bi-cultural (es decir, la capacidad de integrar los atributos y el ser eficaz en navegar los dos culturas). Como resultado, los estudiantes afirman su autoestima y sus recursos bilingües y se les anima a desarrollar su expresión en ambos idiomas. ¡La Chispa! ayuda a que estudiantes tengan confianza en sí mismos, fortalezcan su identidad cultural y aumenten su éxito académico.

Importante: Todos los participantes deben traer su propio almuerzo.

Parents

Your child has been invited to the ¡La Chispa! one-day leadership workshop. ¡La Chispa! (the Spark) practices a dual language content delivery model in English and Spanish. We call it Bilingual Leadership. By delivering content in English and Spanish students experience a school function that actively practices the values of biculturalism (i.e., the ability to integrate attributes of two cultures and competently navigate between cultural systems). As a result, students affirm their self-worth and their bilingual assets and are encouraged to develop their speaking, reading and writing skills in both languages. ¡La Chispa! helps students build their self-confidence, strengthen their cultural identity and increase their academic success.

Important: All participants need to bring their own sack lunch.
