Leadership Lessons from the Animal World

"Go Green for Leadership"

The purpose of the conference is to...

- Inspire students who could benefit from a positive leadership experience
- Introduce younger students to the idea that they can lead and run for a student leadership position
- Energize and motivate ASB officers and advisers for the end of the school year push

Through an active, fun-filled and thought-provoking day, students will...

- Explore how they can help their school create a culture, ensure safety, close the gap and engage the community
- Share and gain ideas with leaders from other schools
- Learn leadership skills and concepts including building positive relationships, confronting bullying behavior and generating action plans
- Practice and perfect team-building skills with their own school group

Advisers will spend time with their delegates and will also have time for adviser networking and sharing
