

Hello CheerLeadership coaches!

Same as last year, we will be writing to you each month to keep you up to date on all the information your squad will need to make the most of their experience at CheerLeadership Camp this summer. These monthly updates will also be posted to AWSL's CheerLeadership page at [awsleaders.org/cheerleadership](http://awsleaders.org/cheerleadership), the CheerLeadership Facebook page [www.facebook.com/AWSL-NCA-CheerLeadership-Camp-129914430408392](http://www.facebook.com/AWSL-NCA-CheerLeadership-Camp-129914430408392), Instagram @ncacheer and @ncacheerleadershipcamp or Twitter @NCAupdates and @NCAandy.

## **CheerLeadership 2018 registration schedule:**

As you get geared up for spring tryouts, it's sometimes helpful to see the registration process for CheerLeadership Camp laid out. If you are receiving this email, you've already taken at least one of these steps, so just keep the rest of them on your calendar to make sure your squad has no issues getting to camp this summer:

***As soon as possible:*** Pre-register online with NCA to attend AWSL/NCA CheerLeadership Camp at Central Washington University.

***As soon as possible:*** Register your school with AWSL. Keep us up-to-date on your payment plans. If you need help procuring a purchase order from your district, please contact the AWSL office.

***As soon as possible, no later than June 15:*** Confirm your registration with payment or a school purchase order.

***No later than June 15:*** Have all delegates (athletes and coaches alike) fill out both the NCA Release/Waiver and AWSL Delegate Registration/Medical Form. Check all forms for signatures and mail your entire squad's forms together as a packet with your squad's t-shirt order form. June 15 is a postmark deadline.

***After June 15:*** All cancellations after this date subject to \$75 cancellation fee. Transportation fares may be non-refundable. Substitutions after this date DO NOT incur a cancellation fee. All registration changes must be submitted in writing – email works great!

***July 9:*** Last day for CheerLeadership Camp session 1 cancellations with \$75 fee. After this date, no refunds can be given.

***July 16:*** Last day for CheerLeadership Camp session 2 cancellations with \$75 fee. After this date, no refunds can be given.

***July 16-20:*** CheerLeadership Camp session 1!

***July 23-27:*** CheerLeadership Camp session 2!

***Tips for CheerLeadership Camp registration:***

When submitting a change to your school registration, please indicate the total number of delegates you will now be taking instead of the difference, e.g. "Please increase our registration to 16 cheerleaders and 2 coaches" instead of "Please add two cheerleaders to our registration". This will help cut down on misunderstandings as we process changes to your squad's registration.

Please let us know if you have any questions or need assistance dealing with your school or district. We are here to serve!

## **2018 CheerLeadership Camp Theme – Inside Out!**

NCA has adopted an overall theme of Inside Out! For the 2018 camp season. Pretty soon, squads will be built from the Inside Out, and each individual will expose the light that shines Inside so their team can break Out to an incredible year of CheerLeadership. AWSL and NCA will be working hard at building leaders from the Inside Out!

# Guidelines for Monday Night Live!

Monday Night Live is a spirited, fun event open to parents and spectators. Bring your best dance, cheer or crowd involvement activity to share on our opening night. Squads are NOT required to participate.

Participating squads must follow the specifications outlined below:

1. All squad members must participate and be on the floor throughout the performance. New squad members and those who have been unable to practice with the rest of the squad can be given a simplified routine, but must take part in this inclusive program.
2. Two-minute total time limit – must include a crowd involvement cheer or chant.
3. Routines will be reviewed during registration to make sure guidelines are followed. Please make sure to bring receipts for any music used during your routine
4. STUNTING OR TUMBLING WILL NOT BE PERMITTED FOR THIS PERFORMANCE.
5. School appropriate music must be on an iPod, phone, or MP3 player and meet the following criteria:
  - **A popular recording** that you or a team member purchased from an authorized provider (like iTunes, Amazon MP3, or Google Play) that is played from the beginning and turned off when the routine is over. This recording cannot be edited or mixed with any other music.
  - **Pre-mixed cover music tracks** from past Varsity Spirit summer camp music CDs that you already own. You will receive a download link to this year's summer camp music one week prior to the start of camp.
  - **Cover versions** of popular recordings that can be edited and mixed with other recordings may be used only if the purchase includes a license with

explicit rights to alter the recording and create new works using those recordings. One resource for cover versions is the website [unleashthebeats.com](http://unleashthebeats.com). They have an online catalog of more than 50,000 recordings featuring both today's hits and yesterday's classics. On this website, you can buy a Master License for a particular recording that gives you access to the full master recording including clean vocals, instrumental mixes, and the right to edit and mix the recording with other licensed recordings.

- If you have questions regarding music, please contact your NCA State Director, Ashley Paradise at [aparadise@varsity.com](mailto:aparadise@varsity.com).

**Monday Night Live is held in the Nicholson Pavilion. The facility will open at 6:00 PM for visitors.**
