Your school’s invitation to join the Association of Washington Student Leaders!

The Association of Washington Student Leaders (AWSL) is the division of the Association of Washington School Principals for providing student leadership programs to support and increase the academic and social success of all students. Since 1956, AWSL has been providing leadership training to students and advisers throughout Washington state, and continues its mission through four main strategies:

- Train and empower students to lead
- Support adults engaged in student success
- Provide resources for engagement and empowerment
- Promote the value of student leadership

As one of the largest student leadership organizations in the country, AWSL provides programs year-round to help meet the needs of all Washington schools, including:

- Summer leadership and cheerleadership camps for high school and middle level students.
- Regional leadership programs for middle level student leaders and middle level Latinx students at host schools around the state.
- Retreats at the Cispus and Chewelah Peak learning centers.
- Custom leadership and school culture programs at elementary, middle level and high schools across the state.

As an AWSL member, your school will gain all the benefits of membership, including:

- Discounts on all AWSL leadership training programs for student leaders and activity advisers, and discounts on AWSL student leadership publications and curriculum.
- Resources on Equity, Opportunity and Access for all students to recognize their ability to learn and to break down barriers to success in student leadership programs.
- Access and support for work in social emotional learning through our programs and resources.
- Access to a variety of leadership resources available through the AWSL Leadership Library.
- Eligibility for AWSL Recognition and Award programs, including Adviser of the Year and Council Award of Excellence.
- Subscription to In the Loop, our electronic newsletter. Each issue highlights upcoming program opportunities, practical activities, helpful adviser resources and timely tips.
- A “live” person to talk with each time you call our office, or a timely response when leaving a phone message or email.
