

## **2015–2016 Supply List**

### **2-year-old class (T/TH)**

*Below is a list of needed supplies for your child's classroom. Please only label items that are specified to be labeled. The rest will go into the class supply as we use many of them throughout the year. Any brand or type of product is fine unless otherwise stated (experience has shown these work the best and/or last the longest). Your child should also have a small backpack or tote bag to carry items to and from school each day.*
